

## Product Notice

# End of Life Announcement: GasAlert Extreme and MicroDock II for GA Extreme Docking Station

Regions Affected: Pacific, Southeast Asia, Korea & Japan

Dear Colleagues and Channel Partners,

At Honeywell Analytics, we're constantly evaluating and updating our product line to meet the evolving gas detection needs of customers around the world. In some cases, this means discontinuing an offering and focusing our efforts on others.

After much deliberation, we have decided to discontinue the BW Technologies GasAlert Extreme of single gas detector, and MicroDock II for GasAlert Extreme docking station and the related accessories effective **September 30<sup>th</sup>, 2019**.

## Discontinued SKUs and Alternative Offering

Discontinuation of will include all related instruments and accessories. We have excellent alternatives detectors, helping you improve safety, ensure compliance and manage costs.

Replacement or alternative products have been indicated where applicable:

Discontinued Product	Alternative Offerings
GasAlert Extreme	BW Solo
MicroDock II for GasAlert Extreme	IntelliDoX for using with and BW Solo

## Last Order Date

The last order date for the GasAlert Extreme and MicroDock II for GasAlert Extreme docking station will be September 30<sup>th</sup> 2019. We will accept orders based on material availability.

## Supports

We will continue to support the the GasAlert Extreme and MicroDock II for GasAlert Extreme docking station with warranty replacement parts, or an equivalent product replacement, until September 2021. Service teams will continue to provide support and repair during this time.

Please contact your local sales representative for additional details. Thank you for your continued business and support
